EDUCATION

B.Tech (2023 - 2027)
VIVEKANADA INSTITUTE OF
PROFESSIONAL STUDIES

- CGPA: 9.1

Class XII (2022-2023)

SKV NO.1

- 86.2%

Class X (2020-2021)

GGSSS NO. 1

- 94.4%

SKILLS

- MERN STACK and REST API
- JAVA and PYTHON
- Machine Learning and Deep Learning
- AI Agents
- Web 3 and Cryptography
- Data Analysis and Data Modeling
- Tableau and Excel

LANGUAGES

- English (Fluent)
- Hindi (Fluent)

PROFILE

B. Tech undergraduate specializing in Artificial Intelligence and Machine Learning. Experienced in building scalable applications using the MERN stack and Next.js, along with knowledge of backend development and APIs. Developed real-world full stack projects. Passionate about building efficient and user-focused software solutions.

RESEARCH AND PUBLICATIONS

- Metaheuristic-Driven Optimization Framework for Deep Learning in Oral Lesion Classification**
 - Proposed a Meta-X-DTL framework combining PSO, GWO, and FA with VGG16 for oral lesion classification
 - Submitted to ICICI-2026 (Under Review).
- Cognitive Contours: Generative AI for Linguistic Modelling**
 - Presented research at MAIMS on Generative AI and LLMs.
 - Analyzed architectures, applications, and ethical challenges including bias and hallucination.
- Aligning Management Strategy and IT Intelligence for Modern Cybersecurity**
 - Book Chapter in "Intelligent Computing in Cybersecurity"
 - Explored adversarial machine learning (AML) in cybersecurity, including evasion, poisoning, and model extraction attacks

WORK EXPERIENCE

- Next Step Admission - Web developer intern** June - July 2025
 - Built and optimized a full-stack AI-based admission platform using Next.js with API integration and scalable user interface.
 - Live Website: nextstepadmission.in

PROJECTS

Coral Reef Health Detection

- Built a deep learning model using image classification techniques to identify healthy and bleached corals for marine ecosystem monitoring.
- Live Website: coral-beta.vercel.app

ACTIVITIES AND ACHIEVEMENTS

- Volunteered in Swadhyay Event: organized and executed the HR conclave.
- Participated in Kabaddi and Tug of War at GGSIPU Dwarka sports meet.
- Participated in multiple hackathons including SIH, Cyber for Her Hackathon and many more.
